Hi Chris,

We're still syncing calendars to determine which dates work. We had not initially planned on having an EPA-USACE management level pre-meeting. Do you have a rough proposed agenda in mind for that?

Robert Tan

I'm not sure how much time is needed for each meeting, but the times shown below are when these folks are available. I will call you after my meeting ends at 3:30 today to discuss details.

Thanks,
Chris

Hi Chris,

When is the soonest availability you have to discuss the logistics for the joint consultation meeting? According to management, we would like to target the week of November 15th for the consultation. As such, we need to start working with you and Yakama to pin final dates to the calendar.

Thanks,

Robert Tan
